(Senior) Consultant Financial Services (all genders)

Description

As a Consultant (80-100%) you will work on innovative solutions within the Financial Services consulting team in Zurich and support the growth of the Swiss practice. You will collaborate with the Finance team in Frankfurt and with the Innovation team in Berlin, which will further support your development by complementing the Financial Services expertise in Switzerland. All of its consultants will be able to further sharpen their skills through comprehensive training covering technical and professional certifications.

Responsibilities

- Support a variety of Financial Services clients, covering a broad range of projects across the Swiss and global markets
- Obtain direct exposure to senior stakeholders in the context of complex digital, regulatory and transformation projects
- Contribute directly to growing the recently relaunched Zurich Team
- Grow within a flexible, supportive, and startup-like work environment
- Sharpen your professional skills through our broad offering of in-house and external trainings and certifications

Qualifications

- Strong academic background, Master in Banking & Finance, Economics, Law, or equivalent preferred
- 1+ years of relevant work experience within the Financial Services (Banking, Asset Management, Fintech) or consulting industry, ideally with touchpoints with risk advisory, digital transformation and / or sustainable finance topics
- Marked interest for the application of technology solutions to risk management and ESG in the financial industry is a plus
- Strong communication skills and enthusiasm for client interaction
- Fluent in English, German or other European Language is a plus
- Willingness to travel and motivation for working in a high-paced environment

Hiring organization

Exxeta
